Study Abroad

As the world safely reopens, CAES is ready to get you out into the world to explore, discover, and grow!

Along with the Office of Global Engagement, we are closely monitoring the public health situation surrounding COVID-19 and are hopeful that study abroad programs will resume in 2022.

If you’re interested in studying abroad, we encourage you to begin making plans!

If study abroad programs are canceled, you will not be financially responsible for fees or deposits.

Lunch Provided to Those Who RSVP

Email Skyler.Folds@uga.edu with your JJ sandwich choice by Monday, September 20.
