BACKYARD POULTRY

HANDS-ON WORKSHOP

LEARN TO BETTER MANAGE YOUR BACKYARD FLOCK

Set yourself up for backyard poultry success with this hands-on program featuring unique, practical lessons including: egg candling basics, insect rearing for chickens, poultry biosecurity, and more. This class does not provide an egg candling license, but will teach you the basics for home use.

**CANDLING
BASICS**

**INSECT
REARING**

**BACKYARD
BIOSECURITY**
